

SENIOR ISSUE

2015

To the Class of 2015,

It's hard to fathom that how fast these past four years have flown by. Although each of our paths to get here were unique, they all will inevitably converge at D.A.R. Constitution Hall on May 27. As the big day looms and our time together dwindles, make sure to relish every last moment you have here. It's surreal to reflect on the countless experiences we've shared together and realize we were fortunate enough to be part of such a closely-knit community. The Prowler wishes the Class of 2015 the best of luck moving forward: good luck making your own history.

*Sincerely,
Senior Prowler Staffers*

THIS 15 0

OUR HOUSE

I, **David Fingerot**, leave all my swagger to **Seyhun Cho**. I leave my managerial skills to **Herrick** and **RBC**, I leave the squad to **Vishnu**. And to **Sam Kirsh**, SUCK IT. By the way, **Matt Lowinger** learn to write a newspaper article.

I, **Fatima Jannch**, leave these hallowed halls to my soon to be junior sister **Zairab**. I leave book club to those of you who actually showed up for more than the food. I leave the sports report to someone who will turn in their videos on time. And lastly, I leave buried treasure: go to the third floor Cougar wing, down the stairs to the doors by the media center, get on a bus; the treasure is home.

I, **Danielle Cohn**, leave my shoes for **Bennett Cohn** to fill and my parking spot to **Alyssa Alalouf**. I leave my seat at the baseball games to **Halle Grossett** and **Dara Syper** and any hip hop technique I have left to **Kasonde Chisaka** and **Laura Wormald**. Finally, I leave my heart and passion to all my pommies. You guys are amazing, I love you all!

I, **Emily Katz**, leave my parking spot to the one lucky junior who cops it first, my jam sessions to **Halle Grossett**, my crazy facials to the lovely varsity Poms, and my advice to anyone considering taking AP Stat...don't do it.

I, **Ty Cantor**, leave **Aly Cantor** nothing.

I, **Berwin Yuan**, leave my copy and paste buttons to **Colin Bradley** because yours will soon wear out. I also leave GroupMe to **Patrick Cho** and **@TanayIsBae**. Finally, I return Boxing Club to **Seyhun Cho**.

I, **Sam Feldman**, leave **Alexis Onsi** and the rest of SGA my power.

I, **Dean Isaacson**, leave **Tori** my Flyers lanyard, keys to **Michelle**, and most importantly a lock to put on my door so **Tess** can't turn my room into a "mermaid paradise".

I, **Etienne Eunson**, leave my Xbox games to **William McFadden**, my extra clarinet reeds to **Jake Jones** and **Kenny Lonogan**, and my #Bandyay to **Melanie Ritter** and **Christy Pahk**.

I, **Alyssa Winderlich**, leave the varsity cheerleading team my motivational speeches. I leave the yearbook staff the name binder (have fun). I leave Cougar TV my amazing video editing abilities. I leave the SGA my rockin' rap talents. I leave my brother, **Andrew Winderlich**, **Anna Goorevich**, and **Brittany Mills** my monogramed parking spot.

I, **Paul Brott**, leave the school to you guys. I'm not very graceful with this stuff.

I, **Riley Frankel**, leave **Matthew Kelly** my stroke ability, as I know he needs it, and I leave **Johnny Firestein** my leaping ability cause he can't jump like me.

I, **Jared Goldstein**, leave my spot on the golf team to **Jordan Swick** (as do the rest of the seniors because he's the only one left). I leave my lunch pass, sports-other-than-football cheering skills, computer lab lunch spot, **Matthew Marsden** and all the chicken nuggets one can eat to **Alex Myers** and **Sam Katzker**. I leave my last name to **Andy Goldstein**.

I, **Brooke Saffer**, leave **Megan Samuels** and the field hockey team a porta potty so no one has to sprint 5 minutes before the game. **Regina Wingate** my softball skills. **Morgan Avissar** a box of tissues, and **Carly Porter** our therapy sessions in the car. I leave **Skylar Saffer** everything else.

I, **Sam Ling**, leave basketball traditions to **Damon Tip Daniel**, **Johnny**, and the one and only **Meatis**.

I, **Nathan Kessler**, leave **Nick Moon** and **Sung baby** for representing the home land and ballin out on the baseball team. And I leave **Cam Wilcox** with the attempt to get the same 50-free time as daddy.

I, **Xavier Twine**, leave **Brendan Nolan** my flow swag.

I, **Melissa Wilds**, leave everyone the mere aura of my presence. (It's worth \$15 on eBay.)

I, **Miranda Levin**, leave my drama club spot to **Chloe Malouf** and my leather leggings to all my drama girls (because they will look the best in them).

CLASS OF 2015

I, **Dunia Mohamed**, leave my highwaisties to my queens of the motherland (**Mena**, **Angel**, **Prin**).
