*Dear Class of 2019,*

*Whether the past four years have flown by or felt like a lifetime, each of us will remember high school as a time of growing into a young adult, experimenting with new things, and gaining knowledge. From getting lost in the color-coded hallways as a freshman to getting a front row seat in the bleachers as a senior, we have been through it all together. It is now our time to begin a new chapter in our lives, no matter what that may be, but we hope that you never forget your time as a Cougar. Although it has not been an easy journey for many of us, we can now all look back on the good times that made us thrive, and the difficult times that made us stronger. Soon enough, we will all walk down the aisles of D.A.R. Constitution Hall, receive our diplomas, celebrate our past accomplishments and anticipate our future. This may seem like the end, but it is just the beginning. For many of us, Quince Orchard has created friendships, spirit, and perseverance that will last a lifetime. As you read this last newspaper of 2019, reminisce on the unforgettable memories that we have created for the past four years, and acknowledge the bright futures we all have to look forward to.*

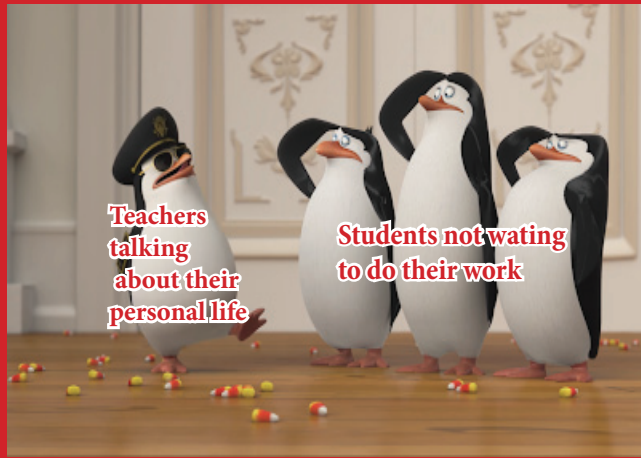

*Sincerely,  
The Senior Prowler Staff Members*
