

SENIOR ISSUE 2022

Prowler seniors, from top row left to right, top to bottom: Jay Motiwala (University of Missouri), Sam Smith (University of Pennsylvania), Adam Gotkin (Syracuse University), Maddy Rubery (UMD College Park), Reese Owens (Rhodes College), Jake Revzan (University of Georgia), Grace Gnamoa (Morgan State University), E. Leath (Wheaton College), Max Handleman (Emerson College), Jake Zaiderman (University of South Carolina), Julia Dietrich (University of Pittsburgh), Xavier Suggs (Hofstra University), and Ava Garzan (UMD College Park)

Dear Class of 2022,

As if shot out of a cannon, the Class of 2022 was able to experience our final year in person at Quince Orchard High School. We got to experience being normal kids one last time: the highs and lows of growing up, and the memories that will become everlasting. But just as we got to experience normalcy, our high school chapter comes to a close. Our resilience, strength, and experience from our years in a unorthodox high school career are now what gives us hope for the next page. It's normal to look out to the future, and question what comes next. However, there's no denying our accomplishments at this school. Celebrate, thrive, be happy with yourselves and what you've done. Your hard work, dedication and persistence allowed for you to move on and grow from this life, and into the next one. Being an adult can be scary, fun, freeing, all of the adjectives you can think of. It's important to remember who you really are, and who you want to be as you go forward. Class of '22, we made it. Be proud, and remember to enjoy your time wherever you may end up.

Sincerely,
The Prowler Staff Seniors
